Wide-Area-Work-Flow (WAWF)
February 29, 2000

Wide-Area-Work-Flow GOALS

- **Develop and deploy DoD-wide!**

- **100% Integration of acceptance, payment, financing, closeout, and receiving processes. . .**

. . . with acquisition and logistics systems
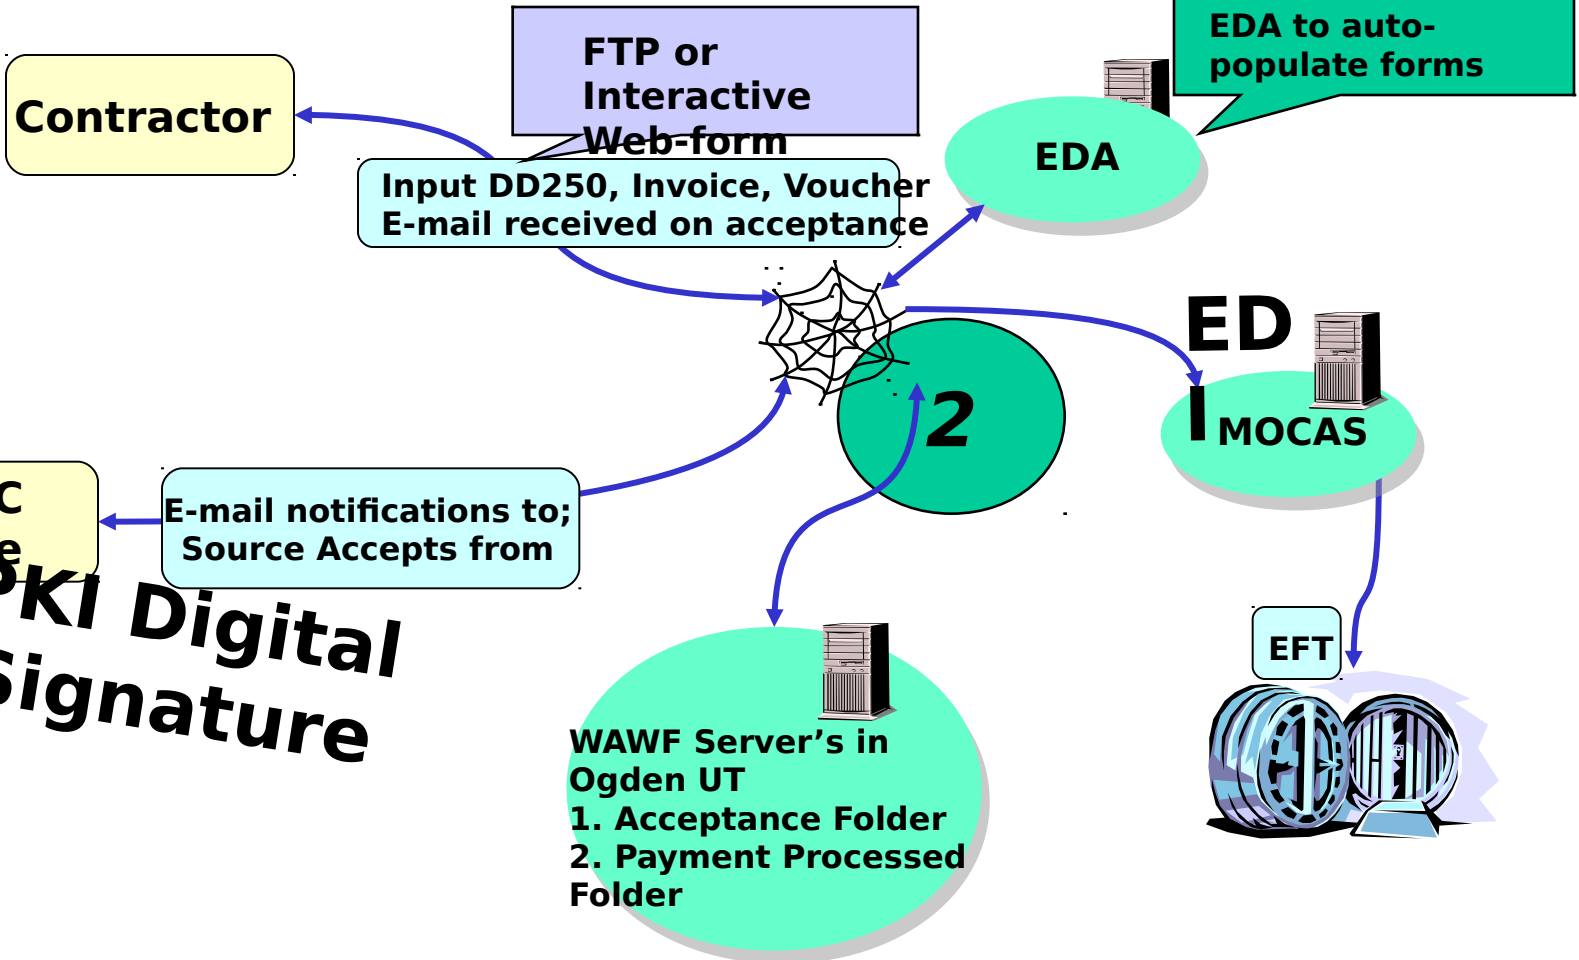

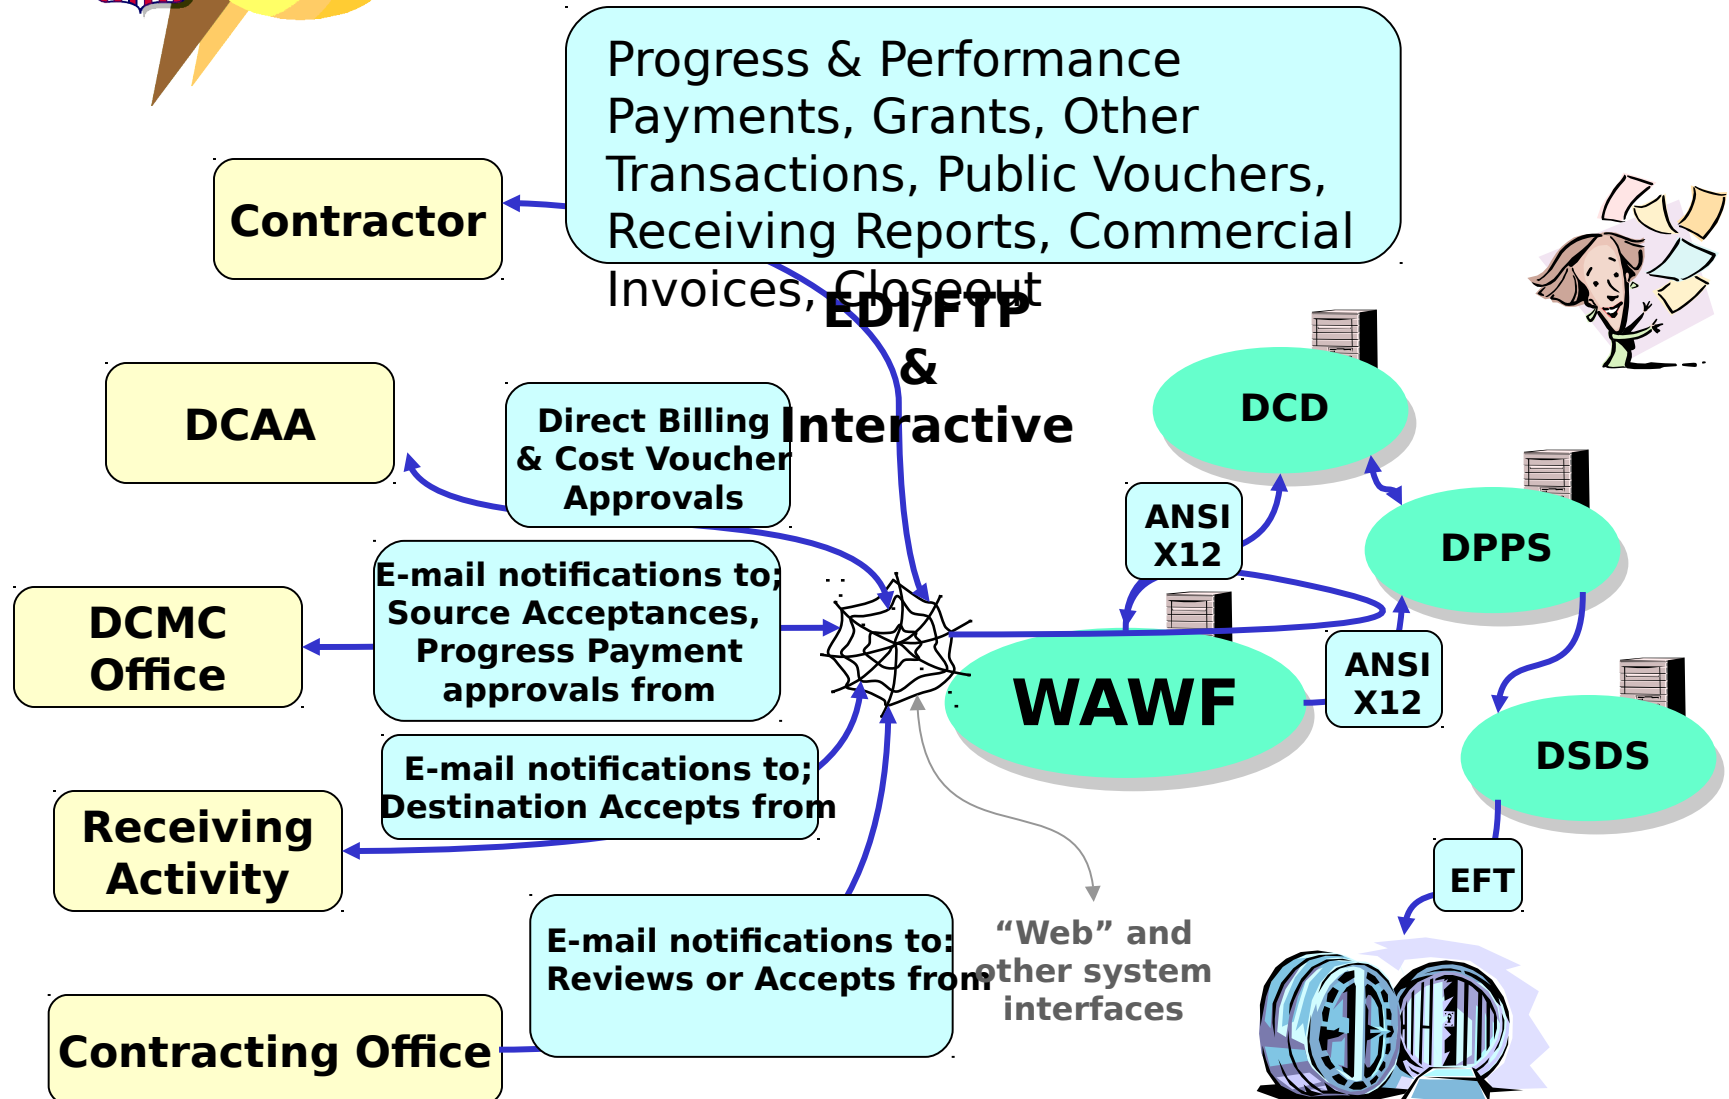

Prototype is an 80% Solution.

Receipt will make 100%

Major "To Be" End to End Process Component!
